

Boys & Girls Club Bus Waiver

Dear Benton Harbor Charter School Families,

Great news! We've partnered with the Boys and Girls Club of Benton Harbor! We are now providing busing, **Monday through Friday**, from BHCSA to the B&G Club! There are three things required of any student for them to ride the bus to the B&G Club partnership.

- 1) Parents have to sign up and register their students with the B&G Club. This can be done in several different ways:
 - a. By going to the Boys and Girls Club campus to register them at:
600 Nate Wells Sr. Dr., Benton Harbor, MI 49022
 - b. By going to the Boys and Girls Club website at: https://bgcswmichiganmch.my.site.com/portal/s/login-home
 - c. By using the URL code on the back of this page with your phone.
- 2) Pay the Boys and Girls Club their \$5 fee for registering your student, directly to the B&G Club. They will notify BHCSA when that's been paid.
- 3) Return this form to the school for every individual student that you have at Benton Harbor Charter School, signing and agreeing to allow your student to ride the bus to the Boys and Girls Club. Benton Harbor Charter School Academy does NOT provide transportation from the Boys and Girls Club to student homes, ONLY from the school to the club. This form needs to be **returned back to BHCSA after completing steps 1 and 2.**

If you believe that your student already has a yearly membership with the Boys and Girls Club, the records that are provided to us from the Boys and Girls Club need to reflect that. You can check their registration by calling them at (269) 926-8766.

This program is for **6 years old through 8th grade students**. Students who are participating in this **Monday through Friday** B&G Club bus route will only ride this bus unless a phone call is made by a parent/guardian to the **office before 2:00** and is communicated for pick-up or their regular bus route home. **Any Kindergarten through 2nd grade students who are not received at their bus stop after this communication will be transported to the B&G Club for the parent/guardian to receive.**

We hope that this partnership will provide joy and educational learning to our students for years to come.
